JANUARY 2023

CMREN NEWS

CMREN EVENTS & UPDATES:

This month, the CMREN team has been working hard to organize events and opportunities to get involved on campus! Here is what to look forward to:

CMREN Deliberative Dialogue: Jan 30, 2023 @ 6:30-8:00 PM

Ferris State University - David L. Eisler Center Founder's Room - UCB 203

Join CMREN and CREW in discussions and activities about stigma surrounding substance use disorders. This is a great opportunity to get involved, informed, & meet new people in the community. Attendees will also have the opportunity to participate in a giveaway.

Backpack Drive: Stay tuned!

CMREN is working toward starting a backpack drive for Jonah Foundation & Angels of Action. The team plans to get boxes around campus and the community within the next couple of weeks. Until then, save any extra or old backpacks you have laying around & we will have a spot for them shortly!

FEATURED PARTNER

The mission of CREW is to provide students in recovery from or impacted by substance use disorders with a safe and supportive environment in which to achieve their academic, personal and professional goals, in addition to providing Alcohol and Other Drug (AOD) education to the campus community.

Mission statement found from first resource link

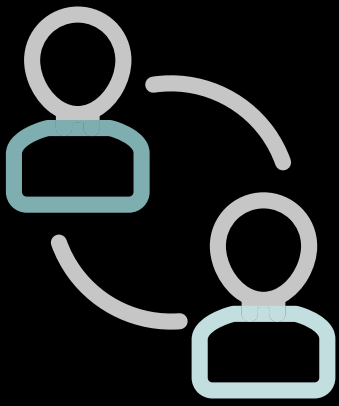

Check out the links provided for information on CREW's services, presentation opportunities, contact information, and more!
